Company Overview

General Overview

Hartford Technology Rental Co LLC is a veteran-owned small business with over two decades of leadership in the technology rental industry providing customer-specific solutions to Fortune 500 companies and Government Agencies across the country. HTR has established distribution centers located in Washington DC, New York City, Chicago and Los Angeles metro areas. With an unwavering commitment to customer service, HTR stands as the premier provider for short-term technology rentals.

Past Performance

United States Forest Service Region 5

In 2012, we earned a BPA to supply a wide array of technology rental equipment in support of USFS Region 5 forest fires. We provide customized imaging and respond with lightning speed under intense timelines - with 95% of orders requiring next day delivery to remote locations.

National Oceanic and Atmospheric Administration

In 2018, we were awarded RFQ #NCNJ3000-18-01373 for rental of laptops in support of training. Since 2018, we continue to provide this service on a yearly basis.

Defense Commissary Agency

In 2018 we were awarded Contract No. HQC00718P0004 for the rental of iPads. Every year we ship iPads to over 200 military bases around the world for survey use.

Deloitte

Since 2006, we have provided Deloitte rental services on a wide range of equipment in support of corporate contractor laptop rentals and for event services.
