# 2023

Updated Mar 2023

# Welcome

Whether you're a returning client or a new one, on behalf of everyone at Hartford, welcome. We're excited to have your attention and show you some of the great gear we carry.

We spend a lot of time searching for the best gear in the marketplace. Whether you have short-term corporate needs, meetings or live events, we're confident we've got what you need.

If you're new to Hartford you might be wondering "Who is Hartford?" The short answer is we're just a group of people who love technology and who understand that you, our clients are the most important asset to our company. Even though we all spend the better part of each day talking, thinking and living technology, it's really service that we sell. That's where our tag line comes from: "Not just equipment." We want to provide you with exceptional service like we'd want to get.

Our main job is to make your life easier – at least in the area of technology. We can and do provide technology rental equipment – lots of it – and we will make sure it's new, well cared-for and from industry-leading manufacturers. But more importantly, we'll help you make it work for your event, conference or office use.

We have a passion for details and will execute flawlessly. Hartford Technology Rental focuses on innovative and creative solutions so that, at all levels of our company, we will act like partners and think like innovators.

Oh, and did we mention that we really like what we do? That is offering technology rental products and solutions! When you need a technology rental provider who understands the importance of providing excellent customer service and excellent value, give us a call. We'd love to see how we can help.

Please note our equipment catalog doesn't list everything in our portfolio. If it did, the catalog would be too big to send through email plus we're constantly adding more which makes it hard for our marketing team to keep up. If you need something you don't see, give us a call. There's a good chance we've got it.

- ULX-D Single Channel
- ULX-D Dual Channel
- ULX-D-Quad Channel

**DPA 4088 Headset Mic (Beige & Black)**

**Shure MX412 D/S Gooseneck Mic**

[www.hartfordrents.com](http://www.hartfordrents.com)

### Shure AD4D Axient Dual Channel Kit

- Wide tuning range up to 184 MHz
- True digital diversity reception per channel for drop-out resistance
- Networked control with Wireless Workbench® software and ShurePlus™ Channels iOS app
- Front panel headphone jack enables Dante™ Cue and Dante™ Browse monitoring
- Configurable Ethernet switch for redundant Dante or AES67 digital output
- AES3 output

### Shure PSM-1000 G10 IEM Kits (Dual & 6 Channel)

- Features a diversity bodypack receiver and optional stereo or mono modes
- Offers networkability over Ethernet connection and bodypack rechargeability with the Shure SB900 lithium-ion battery
- Provides 49 compatible frequencies per band
- Delivers a 72 MHz–80 MHz tuning bandwidth

### Allen & Heath ZED 14 Mixer

- USB Connection for Mac and PC
- 14 Input Channels
- 3-Band EQ Section
- Four AUX Sends
- Mono and Stereo Channels

### QSC Touchmix-16 Mixer

- 20 Inputs
- 16 Mic Preamps
- Color Touchscreen
- Wireless Control Via iPad App
- USB Wi-Fi Adapter Included

### Allen & Heath AH-QU-16C Mixer

- 16 Mic/Line Inputs and 3x Stereo Inputs
- Motorized 100mm Faders
- Color Touchscreen
- Wireless Control Via App
- USB Audio Streaming

### Shure SCM-820 Auto Mixer

- 8-Channel Mixer
- Comprehensive Networking Capabilities
- IntelliMix 5-Mixer Mode Presets
- Enhanced I/O Support
- Digital Feedback Reduction

# Mixers

## Allen & Heath SQ-6 Mixer

- 48 Channel / 36-Bus Digital Mixer
- 24+1 Motorized Faders
- 24 Microphone Preamps
- 7" Touchscreen
- 96 kHz FPGA Processing
- 8 Stereo FX Engines w/ Returns

## Allen & Heath SQ-7 Mixer

- 48 Channel / 36-Bus Digital Mixer
- 32+1 Motorized Faders
- 32 Microphone Preamps
- 7" Touchscreen
- 96 kHz FPGA Processing
- 8 Stereo FX Engines w/ Returns

## Allen & Heath AR2412 Main Stage Rack

- 24x12 XLR In/Out
- Connects via CAT 5 and allows AR2412 to be positioned up to 120m from mixer

## Allen & Heath GX4816 Portable GX Expander

- 48x16 XLR In/Out w/ DX Sockets
- For dLive and SQ series Mixing Systems
- Individually Selectable Phantom Power
- 96 kHz Audio

### Fostex 6301NX Monitor Speaker

- 4" full-range driver
- 20W Class D Amplifier
- Balanced XLR input
- 1/4" unbalanced input

### Anchor AN-1000X+ Monitor Speaker

- 4.5" full-range driver
- 50W Class D Amplifier
- Balanced XLR, 1x 1/4", 1x RCA inputs
- 1x 1/4", 1x RCA outputs

### JBL PRX812W

- Optimized for FOH or Monitors
- 12" Woofer and 1.5" Compression Drivers
- Frequency Response 58 Hz to 20 kHz
- 1500W Class-D Amplifier (2x 750W)
- Wi-Fi Control of DSP Parameters

### QSC K12.2 Powered Speaker

- 2000 Watt QSC Class-D Amplifier
- Factory / User Presets with Recall
- Stage Monitor, Dance Music, Instrument
- Multi-Function Digital Display
- DSP: EQ, Delay, Frequency Contours

### QSC KS118 Powered Subwoofer

- 3,600W Powered Subwoofer w/ 18" LF Driver
- 2x XLR/TRS Combo Inputs
- 2x XLR Outputs
- Frequency Range: 35Hz - 111hz (-10dB)
- Selectable DEEP mode for extra low frequency

**Atlas DS-5 Desk Stand**

**Atlas Low Profile Mic Stand**

**Atlas Tripod Stand & Boom Kit**

### **Roland R-07 Portable Audio Recorder**

-Onboard stereo mic and a mic/aux input

-Supports mono and stereo WAV recording at rates up to 24-bit/96kHz and MP3 up to 320kbps

-Dual recording and scene functions

-Bluetooth remote control & headphone/speaker monitoring

-Micro SD and microSDHC slot

### **On Stage DB2050 DI PC Box**

-Transforms any line level stereo source into a low-impedance (XLR) signal

-Stereo 1/4", 3.5mm, and RCA inputs

-Active design features isolated inputs, a 15dB pad switch, ground lift switch, and polarity switch

### **Shure X2u XLR to USB Microphone Signal Adapter**

-Transforms any line level stereo source into a low-impedance (XLR) signal

-Stereo 1/4", 3.5mm, and RCA inputs

-Active design features isolated inputs, a 15dB pad switch, ground lift switch, and polarity switch

Stand and deliver with the latest in podium rental options. Most people are familiar with the traditional style podiums and lecterns that include; wooden lectern rentals, acrylic podium rentals and even black truss lectern rentals with large screen monitors attached.

For many presenters you get the podium, add a microphone and then put your laptop on top. In the end it looks like a mess. To avoid the clutter and elevate your next presentation we carry state-of-the-art digital podium rentals that are packed with all the technology you need. They even include cup holders. With all of the tech integrated, setup is a breeze and makes connecting to projectors and sound systems easy.

The 21.5" is a great choice for everyday computing in a compact form factor.

- i5 2.5GHz Processor
- 8GB, 1TB HDD
- Intel Iris Pro 6200
- MS-Office 2016
- Keyboard and Mouse

## **iMac 27"**

Up the ante with the iMac 27" model.

- i5 3.3GHz Quad Core Processor
- 8GB, 1TB HDD
- AMD Radeon M290 w/ 2GB VRAM
- MS-Office 2016
- Keyboard and Mouse

## **iMac Pro**

More powerful than a MacPro with a gorgeous display to boot.

- 8, 10 & 14 Core models
- 32GB, 64GB & 128GB RAM configurations
- 1TB or 2TB SSD
- Radeon Pro Vega 56 w/ 8GB or Pro Vega 64 w/ 16GB
- Final Cut Pro X included
- Keyboard and Mouse

*All iMacs ship in custom cases.*

### MacBook Pro (2016)

A solid middle of the road choice.

- i7 2.7GHz Processor
- 16GB, 512GB PCI-e SSD
- AMD Radeon Pro 455 w/ 2GB
- 15.4" Retina Display
- Touch Bar

### MacBook Pro (2018)

Plenty of power for Adobe software.

- i7 2.7GHz
- 32GB, 512GB PCI-e SSD
- AMD Radeon Pro 560X w/ 4GB
- 15.4" Retina Display
- Touch Bar

### MacBook Air (2018)

The ultra-thin fit almost anywhere laptop that's not short on computing power.

- i5 1.6GHz Dual Core Processor
- 8GB, 256GB SSD
- Intel UHD Graphics 617
- 13.3" IP 2560x1600
- 2.75lbs

### MacBook Pro (2019)

Apple's latest and greatest.

- i9 2.3GHz 8 core
- 16GB, 512GB PCI-e SSD
- AMD Radeon Pro 560X w/ 4GB
- 15.4" & 16" Retina Display
- Touch Bar

### MacBook M1 (2021)

The MacBook M1 is quick and silent with its fanless design.

- M1 Processor
- 16GB & 32GB
- 256 & 512GB storage
- 14.2" Retina Display
- 2.8lbs

In today's world, practically everything is connected, even refrigerators. To make those connections you need networking gear and that we've got.

While we've never been asked to connect a refrigerator to the Internet, we do have a lot of experience in setting up self-contained networks or integrating into existing networks for short-term events. We work with copper, fiber and wireless technologies. We also can implement security measures such as firewall appliances, web restrictions and more.

## Networking Lineup

<u>Access Points</u>	68
<u>Firewalls</u>	68
